

Great to be back after the Summer

After a break in August when we did some cleaning, repairs and stocked up on some new equipment, we reopened on 6th September with our members enjoying team games, table tennis, Wii, table football, air hockey, darts, dominoes and with the addition, by popular request, of Milkshakes on the menu at the tuck shop (and yes we did have fun practicing making them).

Join Us in October

If you'd like to come along in October, we will be open for years 5-9 on Wednesday 4th, 11th and 18th, and back on the 1st November, 7-8.30pm in the youth club building, beside the health centre. Annual membership is just £5 plus £1 per session, and with a membership card when you've attended 5 sessions you get the 6th one free. Non-members are also welcome to come along and join in the fun at £2 per session.

Old games gathering dust?

We'd like to extend the range of activities we can offer our members, so if you can have any age-appropriate board or Wii games or jigsaws (200-300 pieces) you could offer to donate that would be wonderful. Happy to collect locally or you'd also be more than welcome to arrange to come over on a club night for a cup of coffee and to drop them off.

Get in Touch

We'd love to hear from you if you have any questions, feedback or can offer to help in any way, by emailing youthclubkennington@gmail.com or through social media, Twitter @YClubKennington or Facebook (search for 'youthclub kennington').

In particular we're looking at the moment for anyone who can assist with fundraising as we've got big plans but need help getting there. Commitment to this or offers to help on club evenings can be flexible in time commitment and full support will be offered.
