

Easter Nests, Key Rights for a New Parliament and our first overnight event

We've been busy in March, making Easter Nests which looked delicious, arranged by our volunteers Jenny and Audrey. We've had a session with the young people considering if they formed a new government which key rights they would want to focus on. We also had our first overnight event, a sleepover in the hall including games, quizzes, crafts, a movie and of course some sleeping.

Upcoming Meetings

We will be taking a break for Easter but will be meeting again on 18th and 25th April, and the following month on the 2nd, 9th, 16th and 23rd May.

Membership

We're delighted to say we currently have full membership, but if you're interesting in joining our waiting list, or just finding out more about the club, please do get in touch by emailing youthclubkennington@gmail.com or visit our website <https://kenningtonyouthclub.com/>

50:50 Draw Winners

We've held our first 50:50 draw, congratulations to our winners. The winning balls were:

- * 1st prize – ball X, who won £25.90
- * 2nd prize – ball Y, who won £7.40
- * 3rd prize – ball Z, who won £3.70

It's a great way to support the youth club and the young people in the village. The March draw raised £37 for the youth club which means we can buy some additional craft materials for upcoming activities we've got planned.

If you'd like to purchase a ticket, they are £2 each and can be bought either directly from the club on club nights or by downloading the form from

<https://kenningtonyouthclub.com/5050draw/> and returning it to our treasurer, Mark Horseman, 9 Manor Grove, Kennington. Alternatively, we can arrange to deliver a form to you. If you'd like us to deliver a form or have any questions about the draw please do get in touch with us via kycdraw@gmail.com

Do you have any spare equipment or games?

One of the most popular activities this month has been a new domino set kindly donated by one village resident, and hours have been spent lining up more than 300 dominoes, then of course watching them as they all cascade into each other and then feeling annoyed when we realise we didn't press the record button at quite the right time to capture the magic.

If you have any spare games or equipment you think the young people (and the adult helpers) might enjoy please do get in touch with us via youthclubkennington@gmail.com
