

CLUB AGREEMENT

In order for the club to be successful, it is essential that the young people, parents/carers, and club work together. Our Club Agreement follows.

Kennington Youth Club (KYC)

- We will provide a platform for young people to express their views on the running of the club and provide them with opportunities to engage with a variety of activities.
- We will aim to provide a balanced, fun, and engaging programme of activities, using, as many of the young people's suggestions as possible.
- We will retain securely all membership forms.
- We will keep members as safe as possible, providing medical attention as necessary. In these instances, parents/carers will be contacted.

Parents/carers

- I will provide the Youth Club with completed membership form, fees, and passport-sized photographs in order for my child to be a member (one for their record and one for their ID badge) or permit the club to take these.
- I understand that whilst club members are encouraged to remain until the end of club sessions, staff are not physically able to detain members should they wish to leave earlier. I accept that KYC cannot be in any way responsible for young people once they have left the premises. I will make my expectations clear to my young person. *In such instances where a young person wishes to leave, a member of staff will contact parents/carers first for permission, or where a young person has already left, contact will be made to notify the next of kin.*
- I release Kennington Youth Club management, its staff and volunteers of any liability against personal losses of the young person. (This does not excuse negligence or criminal actions if so found in a Court of Law.)
- I have legal custody of the young person and give my consent for them to attend activities organised by KYC. I understand that there are inherent risks involved in any activity, and hereby release KYC, its staff, and trustees from any and all liability for any injury, loss, or damage to person or property that may occur during the course of my child's involvement.
- In the event that my child is injured and requires medical attention, I consent to any reasonable medical treatment deemed necessary by a licensed physician. In the event of any treatment being required from a physician, paramedic, First Aider, ambulance or hospital personnel, I agree to hold such persons free and harmless of any claims, demands, or suits for damages arising from the giving of such consent. I also acknowledge that I will be ultimately responsible for the cost of any medical care should the cost of that medical care not be reimbursed by a health insurance provider.
- I agree to bring my young person home at my own expense should they become ill or if deemed necessary by the leaders in charge due to my young person's misconduct.
- I will advise KYC in writing if I wish to limit my young person's activities or participation in any way and understand that restrictions I impose must be recorded and are subject to acceptance by the KYC management committee.
- I will indicate my permissions for photographs on the membership form.

Nothing in this agreement affects your rights in law.
