

Indoor Archery, Games Inside and Out and Parent Volunteers

Five parents have volunteered at sessions during October which was greatly appreciated. We've bought some new equipment including indoor archery. By the time of reading we should have been on a bowling trip to Hollywood Bowl. We have played some new games including some outside when the weather has permitted and surveyed for the views, goals and wishes of our members.

Opening in November

We are open every Wednesdays in November – 7th, 14th, 21st and 28th

The youth club is open to young people who are in school years 5 – 9. We currently have a waiting list but if you would like to find out more about membership or join our waiting list, please contact members.kyc@gmail.com

Building Update

We have installed blinds at the windows in the main hall to aid with privacy when needed and keep out the sun during daytime events (granted sadly not the most pressing of concerns at this time of year).

Using part of the grant from Oxford Isis Rotary Club we have finished repainting the backroom. Thanks to the volunteers who came along to do the painting.

We had an issue with the roof in the kitchen. Work to fix the outside has now been completed and we now turn to fixing the inside of kitchen ceiling so full use of the kitchen can resume. A big thank you to Kennington Parish Council who have kindly made a contribution towards the costs of the repairs.
