

## **Halloween Celebrations, Remote Controlled Cars and Scalextric**

On Halloween itself we held our annual fright night, with team games, apple bobbing, creating eye balls, mummy jars and much more. Almost everyone dressed up and must say we were very impressed with the costumes. We have also had a racing evening with remote controlled cars and a small Scalextric.

## **Thank You to the Parents – our team meal at the Tandem**

The parents of last year's members very generous gave the committee and volunteers a meal voucher at the end of last term. Six of us had a very enjoyable evening with some nice food at the Tandem, and even better due to the very reasonable prices we've got some money left in the kitty for our volunteer Christmas drinks. A big thank you to all the parents and careers who contributed.

## **Christmas Hamper to Help Repair our Pool Table**

The fundraising team at the youth club are currently trying to fundraise to repair our club's pool table. It's a popular piece of equipment but after many years wear and tear the baize is badly stained and has a rip at one place. We are holding a raffle in December to raise funds towards this repair, tickets are £1 and are available from the club on Wednesday 5th and Wednesday 12th or please email [fundraising.kyc@gmail.com](mailto:fundraising.kyc@gmail.com)

## **Donation Thank You**

Thank you to a local group of ex-telephonists who have kindly sent in a donation raised from their coffee mornings. It is much appreciated.

## **Happy Christmas and New Year**

Finally, Happy Christmas and New Year to you and your families. Thank you to everyone who has supported the youth club in 2018, from those who've made donations, bought 50:50 tickets, volunteered, the parents who bring their young people and of course most importantly our members who make the club such fun.
