

!!! Senior Youth Club Open Morning 9th February 10 – 12 !!!

We are proposing running an after-school club once a week for older young people in the village which will be more “café style”.

We are holding an open morning on **Saturday February 9th between 10—12** at the youth club to discuss our ideas, to show potential members, their families and anyone interested from the village around the club and to listen to what other people in the village would like and their ideas.

We'd love to see as many people as possible at the club on 9th February, where our youth leader Roy, our chair Jenny and other volunteers from the club will be around. We will have the club laid out as per our café idea and so will of course be serving tea, coffee, cold drinks and toast as would be the case in the café when it opens.

Nothing is currently set in stone but we're then hoping to start initially once a month running this second club so we can gauge interest and work together to find out what works. We'd love to hear your thoughts so please do come along either on that morning or if you can't make it then email us with your thoughts at youthclubkennington@gmail.com

Looking back at 2018 and forward to 2019 ...

We've only met once at the time of writing, where as well as the usual games and equipment we celebrated what had been good in 2018 (football and travelling featured highly in most of our lists) and what goals we had for 2019.
