Collection Time: 8.30pm at main entrance
Cost: £10 (no club night fee)
Date Due: Wednesday 27th March

Just who is the fastest racing car driver at the youth club? Let's find out at the Oxford Race Hut using their 16 state of the art race car simulators. All the race pods have triple screen displays, 3d surround sound headsets, bucket seats and use real time laser scanning of the track to feed back every bump through your seat and steering wheel.

The £10 fee includes an introductory briefing, qualifying race, final race and podium for the winners. There are 16 race simulators and so the group will be split in half with the other half able to watch the race on the big screens with commentary by the staff when not racing. The results will be combined so we will know the overall rankings.

There is plenty of on-site parking and space within the venue where parents/careers can wait. The cost includes unlimited squash. There is also a cash bar on the site which sells fizzy drinks, chocolate bars etc for around 70. Please note this is not included in the cost.

We will take all health conditions noted on membership forms into consideration and have risk assessed this activity in accordance with our policies. Kennington Youth Club staff are unable to transport young people.

**Poor behaviour leading up to this activity
may result in your child not being permitted to attend.**

In order for your child to attend, the slip below **MUST** be returned with the fee stated above in a named, sealed envelope by Wednesday 27th March. We cannot accept late replies.
