Role Summary

In 2018 our Fundraising Committee was formed. A year later and with more than £1000 raised, the team's efforts are snowballing.

Whilst this is amazing, the need for vital funds however remains high, so we are looking for those willing to share ideas, write to businesses, bake cakes, arrange coffee mornings - whatever it may be to support our small but dedicated team. Let your imagination run wild.

Commitment is up to you. If you can only support for a few hours a year, great. If you can offer more, then thank you. The more we can spread the workload and the amazingness of KYC the better.

What you'll get out of it

- Sense of self achievement, fulfilment, and giving back
- A key role within your community
- Being part of a very supportive team

How do the young people benefit?

- The club can stay open with a more secure and stable future.
- Better facilities to use which in turn are easier to hire out, thus bringing in a continuous stream of income (and so the circle of money/happiness continues).
- They get better equipment and opportunities.
- We can potentially open to more young people.

Skills required

Anyone 18+ with an enthusiasm for supporting the club can apply.

- Ability to communicate effectively with parents, other adults, and potential funders/supporters.
- Well organised and efficient.
- Creative and able to generate new and exciting fundraising ideas.
- Event planning (if you wish to plan an event).

Please note

This is not a Management Committee role but if space permits, you can join this committee too. The club will expect a DBS check to be undertaken, the level of which will be agreed once your level of commitment is noted (i.e.: if you are not to be involved with the young people, it will be on a different level). The club will arrange this if necessary.
