

## Helper Role Profile

### MAINTENANCE TEAM MEMBER

#### QUICK FACTS

Time Commitment:	Variable.
Location:	KYC building.
Responsible to:	Trustees; Premises Administrator
This role is for you if you:	- Are technically minded. - Have a keen eye for detail.

#### Role Summary

We require skilled tradespeople willing to volunteer their precious time to support the development and upkeep of the premises. Our committee and Premises Administrator will collate a list of tasks that require attention but will need suitably trained persons to undertake these tasks.

Are you a chippy, sparky, bricky, or plumber (or is it plumbly?)? If you can help out by gifting us a few hours a year (yes, literally a year), at a time to suit you, then please add your name to our bank of tradespeople.

Basic repair works may include changing door locks, identifying problems with heaters, repairing a wall, or PAT testing. This is a non-admin, non-committee role. We just need skilled trades.

#### What you'll get out of it

- Sense of self achievement, fulfilment, and giving back
- A key role within your community
- An opportunity to make a difference and also advertise your business (if you own one) via club channels.

## **How do the young people benefit?**

- Regularly improved facilities that are more conducive to developing our provision.
- More chance to hire premises allowing greater funding income and further opportunities to provide better activities.

## **Skills required**

Anyone 18+ with an enthusiasm for supporting the club can apply.

- Well organised and efficient.
- Attention to detail.
- Knowledge and experience of current H&S laws surrounding your trade.
- Ability to provide practical solutions to problems in line with safe working practices for the field of work.
- Comfortable in exploring alternative options to solutions and liaising with necessary members of the team.

## **Please note**

You will be expected to be aware of our current policies around Health and Safety as well as any current Risk Assessments.
