Location:	KYC building, Wednesday's, 6.45-8.45pm
What you need:	<ul style="list-style-type: none">- Passion for working with 9-14 yr olds- Want to develop your skills- Fun and engaging personality

Role Summary

Youth club, for those in school years 5-9, is the staple of our work. It's what we started off with when we relaunched and has been full with a waiting list since then. In order to open the doors each week, we need regular adult help.

Look on our site and you'll see lots of faces but they can't be there each week, so the more adults we have, the easier life is. We've great activities planned for year ahead. It's an exciting time to get involved. You can have a real impact working with young people.

The main purpose of the role is to undertake duties under the direction and support of the Youth Leader relating to the running of the session. Primarily this will involve helping to set up equipment, serving in the tuck shop, and talking to the young people. You may even find time to join in with a game of darts yourself.

The Youth Leader welcomes input from his team and if you help regularly you will have the opportunity to establish and build positive relationships that encourage and enable our members to participate in a range of activities and life skills.

What you'll get out of it

- Sense of self achievement, fulfilment, and giving back
- A key role within your community
- Being part of a very supportive team
- Experience of helping to deliver activities with young people.
- Developing a wider understanding of young people's needs.
- Experience of working with young people.

How do the young people benefit?

- More support during activities and more adults available to listen to their ideas and aspirations.
- The club can stay open with a more secure and stable future.
- We can potentially open to more young people.
- Endorsement and recognition of their achievements.
- Encouragement to be involved whilst boosting their confidence and skills.

Skills required

Anyone 18+ with an enthusiasm for supporting the club can apply.

- Ability to communicate effectively with young people (but we'll support with this)
- Energetic and passionate about supporting young people (but if you can't run about don't expect us to ask you to).
- Ability to be non-judgmental, self-aware, patient, understanding, flexible, positive, and supportive.

Please note

You will be subject to an Enhanced DBS and safeguarding training (can be arranged through us). Further training will also be offered.
