Kitchen Update

We are delighted to have completed a refurbishment of the kitchen over the summer including a new range cooker, hot water heater and new cupboards to increase our storage capacity. Huge thanks to Co-Op, John Lewis and Oxford University for grants to enable to achieve us. The first proper "outing" will be pizzas on 2nd October for the youth café and on 16th October for the youth club.

Summer Working Party

On 31st August we held a summer working party to focus on getting the youth club ready for the new term where volunteers, parents and club members came together to do painting, weeding, gutter clearing and cleaning. Thanks to all those involved. We've had some nice positive comments about the improvements from our members and hirers following on from this and the kitchen work which is great.
