School Years 5–8 – Term Time, Wednesdays, 7–8.30p.m.

As Christmas came and went by in a flash, we were soon back to the youth club with new members and some taller returning members.

At the time of writing we've only had one evening back, but we spent this doing some potato printing, trying to make our monograms up, which is harder than it looks when you have to think about reversing the letters. We also played a game called Poop the Potato, which had our chair, Jenny, almost rolling around on the floor in fits of laughter.

In January, we welcomed back Oxfordshire Youth, the umbrella organisation for youth provision in Oxfordshire, we will have appointed our new youth representative to the committee for the next year, and we are still aiming to create a video about youth club life – we just need the time and resources. We've a variety of activities and events on the way, so it's a busy time, but an exciting one. We're also pleased to once again be welcoming a young person to the club to help them complete their Duke of Edinburgh Award.

One of the most exciting things to have happened is taking delivery of our brand new air hockey table. It is amazing and has been put to use already and we were so fortunate to have had an anonymous donation allowing us to purchase this. We are so grateful to our mysterious benefactor, and thank you to Mark, our treasurer, for working hard in his limited spare time for constructing it.

Our Fundraising Team sold homemade Christmas cakes for the festive period and this has boosted the funds again.

For Blue Monday, we offered up the Youth Club space for our own Brew Monday event, providing refreshments and a space to talk with all monetary donations going to the Samaritans charity.
