It's been a busy time since we restarted in September. Whilst most of our sessions have been Open Access in nature, we've also enjoyed talking about Mental Health, with some members designing posters for the hall, and also learning about the five ways to wellbeing.

We've made use of the new kitchen which looks amazing! If you've not seen it, you really must come in and check it out. Our big cooking activity was making pizzas. Yum!

Cards have been a major player in some of our evenings. Uno in particular has been a welcome addition to sessions, so much so, it's now one of our competitions, as is Jenga. You can see our winners from the latest Competition night above. Well done to them for their amazing achievement. We finished the term with a great Christmas party, decorating cakes, playing party games, and dancing to some festive tunes!

## HIRE YOUR HALL

Did you know you can hire the hall for your child's party? Contact us via [bookings.kyc@gmail.com](mailto:bookings.kyc@gmail.com)

## 50:50 DRAW

The draw has raised about £1000 for the club and has given the same in prizes to participants. Why not sign up? Visit the website for more info.

## FUNDRAISING UPDATE

Our Fundraising Team have been working hard, appearing at St Swithun's Primary School Fair, baking cakes to sell for Christmas, and also baking for Children in Need.

A massive box has appeared in the hall within the last week. Either it's a new sleigh for Father Christmas waiting for the member's expertise in building it or it could be our brand new Air Hockey Table.

## ALL CHANGE

At Christmas we said a sad farewell to our cooking master Audrey who has retired from club-life. Alfie is also fading into the background as a career change takes him away from regular sessions. We thank them both for their help and support over the years.

## HAVE YOU MADE A NEW YEAR'S RESOLUTION YET?

If not, here's one for you! We're always looking for more help whether it's one-off or regular, in direct contact with the members or behind the scenes. Please let Roy know what your amazing talent is (because we've all got one) and we'll find a way to incorporate it into club life!

**Club restarts 8<sup>th</sup> January 2020. Keep an eye on Online Club Manager. Have a great Christmas.**
